ANNUAL CONSULTANTS' CPD DISCOURSE  
JULY 09, 2010 - NSSF WATERFRONT

**SCIENCE, ENGINEERING, TECHNOLOGY AND INNOVATION: A MUST  
FOR SUSTAINABLE SOCIO-ECONOMIC DEVELOPMENT**

The Engineers Registration Board (ERB) in collaboration with the Association of Consulting Engineers Tanzania (ACET) are jointly organizing a *Consultants' CPD Discourse* that will be held in Dar es Salaam on July 09, 2010 at **NSSF Waterfront Conference Room** located on the 8<sup>th</sup> Floor, starting at 14:00hrs.

This is an Annual Event whereby Consulting Engineers, Invited Guests as well as various Stakeholders meet to discuss an engineering topic of specific interest to the nation. This year's topic is "**Science, Engineering, Technology and Innovation: A Must for Sustainable Socio-Economic Development**" The discussions will focus on the fact that engineering and development are inseparable. This topic has been proposed due to the fact that the development of any country is directly linked to Engineering and Technological acquisition, development, transfer, advancement etc. in that particular country, and cannot therefore be separated.

**Eng. Dr. Raphael Matheo**, a Professional Engineer and Director, Centre for Development and Transfer of Technology with the Tanzania Commission for Science and Technology (COSTECH) will present a paper on the topic. The paper will address issues among others the requirements for technological development. Tanzania is blessed with abundant resources; with stable political situation since independence and with an investment policy that is conducive for attraction of technology investment. What should be the way forward in order for Tanzania to achieve remarkable development? The presenter will suggest type of technologies needed for the development of any country.

ERB and ACET wish to invite all Engineers, to attend this important event. The discourse will start at 14.00 hrs and will be followed by a Cocktail at the same venue.

***The Consultants' Learned Discourse is a CPD accredited programme, therefore Engineers will score four (4) Professional Development Units (PDUs) for their Continuing Professional Development (CPD) Programme.***

All participants are required to confirm their participation through registration and payment of **Tshs. 75,000/=** as registration fee. Payment shall be made by cash or cheque payable to the Engineers Registration Board. *The registration forms can be downloaded from the ERB website.*
